It was great to see twenty three Lasers come out for the District 21 Kick-Off event of the 2004 Season. The regatta was run by the White Bear YC and launching was done from Bellaire Beach in White Bear Township. Six races were sailing in relatively shifty conditions with 7 to 12 knots of breeze. It was nice to finally get back in the boat. Bruce Martinson of Minnetonka YC took line honors in the first race and This would be Bruce's best finish of the day and with no finishes out of the top five consistency again paid off. Bruce was closely followed by Dyer, Heckl, Aubrecht and Keane. All of the other top 5 sailors had finishes outside of the top five and all seemed to "get stuck" on one side of the course. Four juniors sailed radials with the full rigs and David Thompson of White Bear YC was the top finisher. David will be a force to reckon with in the coming seasons.

A special thanks to Bob Broen, Louis Newell and the White Bear YC for hosting and running our races. Also a thank-you goes out to Andy Heckl for hosting the party (there are a few beers remaining as of Sunday @ 8:30), Jennifer Hansen for scoring, and Karen Alnes for picking up contingency foodstuffs!
