

The 2004 North American No Coasts Regatta was held at Branched Oak Lake in Lincoln, Nebraska on September 25th and 26th. Twenty-five lasers attended this regatta from the states of Nebraska, Kansas, Oklahoma, Colorado, Minnesota, and New York. Ernie French and Bill French and their motley crew ran five races in light, shifty conditions. Kurt Holtze from St. Paul, Minnesota, dominated the series, winning every race except one. Pat Flood from Omaha, Nebraska and Fletch Avery from Denver, Colorado tied in points, but Flood finished second in a tie breaker. Cameron Friedman of New York City finished 8th overall, and was the top junior. Rich Andrysik from Lincoln, Nebraska, was the top master, and Katy Towles of Oklahoma City was the top woman. Hats off to Noah French for organizing a top notch event. Complete results follow below.
